

About GREENES[®] PILL POCKETS[®] treats

- Made with real meat, high-quality proteins and other wholesome ingredients. Also contains antioxidant vitamins C and E.
- Available in tablet and capsule sizes for dogs, and one size to accommodate smaller pills and capsules for cats. Two flavors for dogs (beef and chicken) and two flavors for cats (chicken and salmon).
- Makes giving pills to a pet a positive experience and increases compliance—the likelihood that the pet will take the pills.
- Has a great taste that pets will like.
- Is a healthier alternative to human foods. For example, 7.5 grams of peanut butter is 50.4 percent fat with 6 calories/gram*; a 7.5-gram GREENIES[®] PILL POCKETS[®] treat is only 14 percent fat with 4 calories/gram.
- Administering medication with GREENIES[®] PILL POCKETS[®] treats is easy:
 - Fill:** Hold the GREENIES[®] PILL POCKETS[®] treat with thumb and forefinger. Insert pill or capsule or pour in the liquid medication.
 - Pinch:** Using the same hand holding the treat, squeeze the top half closed.
 - Give:** The treat is now sealed; feed to the pet.
- GREENIES[®] PILL POCKETS[®] treats are available from many veterinary clinics and in most independent pet stores and pet superstores such as PetSmart[®].
